Introducing Multi – Cuisine Restaurant

Every Meal is Celebration

HAYATTM

The rooms surrounds the open air courtyard. On one side you can glimpse the outward through the windows. The wind swept Cinderlla are caught in the lights. The figures, architecture and painting blends beautifully with the elegance you sit anywhere in the restaurant and you can feel the soothing effect & essence of "Hayat".

The flavours of Cuisine from India, China & Thailand are echoed in the menu. The Sun which never sets in the Hayat, mirrors the fine decor which transports you to the classical era of Indian, Sino-thai aristocracy. The grandeur of a period when the arts were patronized by the royal families of these three great cultures.

Enjoy the ambience & food in this beautiful place and for a moment, believe you are in the Hayat.
